TRANSMISSION CERTIFICATE UNDER 37 C.F.R. §1.8(a)

I hereby certify that the correspondence cited hereon is being sent via facsimile to the USPTO Centralized Facsimile Number (571.273.8300) on August 14, 2006.

Eden U. Wright

Sir:

Further to the undersigned's telephone communication with Derek Woods of the United States Patent & Trademark Office's Petitions Office, submitted herewith is a copy of Applicants' fifth request for the status of the Petition to Withdraw Holding of Abandonment Under 37 CFR 1.181(a). Further attached is a copy of the Petition to Withdraw Holding of Abandonment filed May 10, 2001, and a copy of the Issue Fee Payment filed March 19, 2001.

Statement of Facts

Applicants filed a Petition to Withdraw Holding of Abandonment Under 37 CFR 1.181(a) on May 10, 2001, and have not yet received a decision on the Petition. Applicants received a telephone call from Jim Alexander (P/OPPD; (703)305-8387) indicating that the official USPTO file was lost. Applicants believe that this may be hindering the decision on the Petition, so Applicants filed a copy of Applicants' file history on September 26, 2003. However, Applicants still have not yet received any type of action in this case.

October 4, 2005, Applicants reviewed the Patent Application Information Retrieval system (PAIR) for the current status on the above-noted application (copy included). Under the File History, there is an entry for "12-09-2004: Mail Reconstruction Notice." However, Applicants submit that the Notice was never received, and hereby petition to have any statutory deadlines restarted.

To expedite the reconstruction of the file, review of the Petition to Withdraw Wrongful Holding of Abandonment and issuance of the application as a

Docket No.: RIC96161

patent, Applicants submitted a true copy of the file history. The undersigned attested that a search of the file jacket and docket records indicated that the Notice of Reconstruction was never received. Evidence that the Notice mailed on December 9, 2004, was never received is provided in the form of a copy of the docket record showing December 9, 2004, through March 9, 2005 (three months from the date of the action), where the non-received Notice would have been entered had it been received and docketed is attached to this statement.

Applicants therefore petition for withdrawal of the holding of abandonment in the above-identified application under 37 C.F.R. §1.181(a).

According to 37 C.F.R. §1.181(d) and M.P.E.P. 711.03(c), Applicants believe that no fee is due. However, should the Commissioner deem a fee due in connection with this paper, please charge any shortage in fees, including extension of time fees, to Deposit Account 13-2491 and please credit any excess fees to such deposit account.

Should anything further be required, Applicants request that the undersigned be contacted at the telephone number indicated below.

Respectfully submitted,

Sir:

This is Applicants FIFTH request for the status of the Petition to Withdraw Holding of Abandonment Under 37 CFR 1.181(a). Please advise us in writing as to the status of the above-noted application.

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

Applicant hereby respectfully petitions for withdrawal of the holding of abandonment in the above-mentioned application.

In response to the Notice of Allowance issued December 18, 2000, an Issue Fee payment was timely filed with a certificate of mailing on Monday, March 19, 2001. The postcard evidence provided herewith shows that the issue fee was, in fact, paid by Applicant and received by the U.S. Patent and Trademark Office. See attachment I.

Even though Applicants have properly paid the Issue Fee (See attachment II), a Notice of Abandonment has been received (dated April 26, 2001). Applicant respectfully submits that, in view of the postcard evidence provided herewith, the issue fee was, in fact, filed by Applicant and received by the U.S. Patent and Trademark Office. Applicant therefore submits that the proper payment of the Issue Fee should allow the application to issue as a patent. It is respectfully requested that the abandonment of the application be withdrawn and that the application be forwarded to issue branch in preparation for issuance.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 13-2491 and please credit any excess fees to such deposit account.

OFFICE OF PETITIONS

Due Date

9/17/2006

This is a decision on the Petition to Withdraw Wrongful Holding of Abandonment and in response to the several Status Inquiries filed in this application. The petition is properly treated under 37 CFR § 1.181. The delay in treating this petition is regretted.

The Petition is dismissed.

Any further petition to revive the above-identified application must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137." This is **not** final agency action within the meaning of 5 U.S.C. § 704.

The above-identified application became abandoned for failure to timely and properly reply to the Notice of Allowance and Issue Fee Due, mailed December 18, 2000. The Notice set a non-extendable three (3) month period for reply. No response having been received, the application became abandoned on March 19, 2000. A Notice of Abandonment was mailed April 25, 2001.

The application file was subsequently lost, and was identified as lost on October 1, 2003.

On October 5, 2005, this Office received the instant petition. The petition provides that Applicant reviewed the file history for this application on October 4, 2005, and discovered an entry of "Mail Reconstruction Notice" entered December 9, 2004. Applicant filed the instant petition wherein Applicant avers non-receipt of the Notice. In addition to copies of applicant's file jacket and

Application No. 09/002,187

Page 2

docket records, Applicant provides a copy of the application file history and what is putatively a copy of the application papers.

Analysis and conclusion

Applicant is advised that the application became abandoned, as indicated in the copy of the file history provided by applicant, for failure to reply to the Notice of Allowance and Issue Fee Due, and Notice of Allowability, mailed December 18, 2000.

Applicant has failed to demonstrate non-receipt of the Notices, and failed to demonstrate that a timely reply to the Notices was filed.

Applicant should file a Request for Reconsideration of Petition and include the necessary statements and copies of documents.

Further correspondence with respect to this matter should be addressed as follows:
